

The
Palace
Project

A new
digital platform
that puts libraries first

What Makes Palace Unique?

- Serve all your ebooks and audiobooks from OverDrive, Baker & Taylor, and more, in one easy-to-use app
- Keep your library's brand front and center in the digital experience
- Protect patron privacy
- Turnkey service frees your staff to focus on patrons
- Support a not-for-profit option that reinvests in libraries
- Join a community of librarians dedicated to improving the ebook lending experience

**The library really
is a palace. It
bestows nobility
on people who
otherwise couldn't
afford a shred of it.**
