

ACLS HUMANITIES EBOOK COLLECTION

The American Council of Learned Societies Humanities Ebook Collection (ACLS HEB) is a subscription-based collection of over 5,900 scholarly books from over 125 publishers. ACLS HEB offers thousands of foundational books in the humanities and social sciences. Curated by scholars for scholars, the collection is updated annually with books nominated by members of ACLS learned societies.

By subscribing to the collection, libraries enjoy the following benefits:

- Affordable pricing
- Term access to 5,900+ books
- 150-200 titles added annually
- Content from 125+ world-renowned publishers
- Unique and out of print backlist content
- The functionalities of Fulcrum, an open source, library-developed platform
